### Three (3) Guberman Garson Segal Lawyers Recognized by *Who's Who Legal Canada 2015*

We are pleased to announce that Joel S. Guberman, David L. P. Garson and Heather N. Segal have all been recognized as “Most Highly Regarded Individuals” in corporate immigration law by *Who's Who Legal Canada 2015*. We are the only corporate immigration law firm with three lawyers so acknowledged.

The publication notes that “Guberman Garson Immigration Lawyers leads the research in this chapter with THREE NOMINATIONS”. Joel’s practice is recognized for his advice to “clients such as senior executives as well as large multinational organizations, on matters including treaty investors, treaty traders and North American free trade”. David’s practice is noted for “focus[ing] on the IT sector” and for his “comprehensive advice”. Heather is regarded as a “seasoned expert” with work in “Canadian and American immigration law”.

Congratulations to Joel, David and Heather. Thanks are also due to our many supportive clients, general counsel, and referring lawyers with whom we work closely.
